

## Annex D – List of participants

| Last Name     | First Name   | Role in the Workshop | Name of employer   | Country of employment    |
|---------------|--------------|----------------------|--|--------------------------|
| Charistou     | Agathi       | Core organising team | Benaki Phytopathological Institute (BPI)   | Greece                   |
| Coja          | Tamara       | Core organising team | Austrian Agency for Health and Food Safety (AGES)                                | Austria                  |
| Souvlidis     | Vasilis      | Core organising team | Benaki Phytopathological Institute (BPI)   | Greece                   |
| Aagaard       | Alf          | Participant          | Danish Environmental Protection Agency (DEPA)                                    | Denmark                  |
| Aggarwal      | Manoj        | Participant          | Corteva Agriscience  | United States of America |
| Amos Pedersen | Erik         | Participant          | Danish Environmental Protection Agency (DEPA)                                    | Denmark                  |
| Andersen      | Hilde        | Participant          | Norwegian Environment Agency   | Norway                   |
| Angeli        | Karine       | Participant          | French Agency for Food, Environmental and Occupational Health and Safety (ANSES) | France                   |
| Arena         | Maria        | Participant          | European Food Safety Agency (EFSA)   | Italy                    |
| Arente        | Flera        | Participant          | State Plant Protection Service of the Republic of Latvia                         | Latvia                   |
| Astuto        | Maria Chiara | Participant          | European Food Safety Agency (EFSA)   | Italy                    |
| Bach          | Ute          | Participant          | Bayer AG R&D Crop Science  | Germany                  |
| Bars          | Rémi         | Participant          | Regulatory Science Associates  | United Kingdom           |
| Bastaki       | Maria        | Participant          | European Food Safety Agency (EFSA)   | Italy                    |

**Workshop report "Preparatory work on how to report, use and interpret historical control data in (eco)toxicity studies"**

|             |               |             |  |                          |
|-------------|---------------|-------------|--|--------------------------|
| Batakis     | Petros        | Participant | Benaki Phytopathological Institute (BPI)   | Greece                   |
| Battalora   | Michael       | Participant | FMC Corporation  | United States of America |
| Bean        | Thomas        | Speaker     | FMC Corporation  | United States of America |
| Beekhuijzen | Manon         | Speaker     | Charles River Laboratories   | Netherlands              |
| Benford     | Diane         | Chair       | EFSA Scientific Committee  | United Kingdom           |
| Berneron    | Johanna       | Participant | French Agency for Food, Environmental and Occupational Health and Safety (ANSES) | France                   |
| Bighiu      | Maria         | Participant | Swedish Chemicals Agency   | Sweden                   |
| Binaglia    | Marco         | Participant | European Food Safety Agency (EFSA)   | Italy                    |
| Blodörn     | Krister       | Participant | Swedish Chemicals Agency   | Sweden                   |
| Blystone    | Chad          | Speaker     | National Toxicology Program (NTP)  | United States of America |
| Bowen       | Damian        | Participant | ERM  | United Kingdom           |
| Bradley     | Alys          | Participant | Charles River Laboratories   | United Kingdom           |
| Breul       | Lea           | Participant | Environment Agency Austria   | Austria                  |
| Brizzi      | Stefano       | Participant | BASF SE  | Belgium                  |
| Bultman     | Joanna        | Participant | Charles River Laboratories   | United States of America |
| Büttner     | Theresa       | Participant | Charles River Laboratories   | Germany                  |
| Cao         | Sunice        | Participant | BASF SE  | China                    |
| Castoldi    | Anna Federica | Participant | European Food Safety Agency (EFSA)   | Italy                    |
| Cavalier    | Adeline       | Speaker     | French Agency for Food, Environmental and Occupational Health and Safety (ANSES) | France                   |

**Workshop report "Preparatory work on how to report, use and interpret historical control data in (eco)toxicity studies"**

|             |                |             |  |                          |
|-------------|----------------|-------------|--|--------------------------|
| Chiusolo    | Arianna        | Participant | European Food Safety Agency (EFSA)   | Italy                    |
| Clausing    | Peter          | Speaker     | PAN Europe   | Germany                  |
| Conway      | Louise         | Participant | Health and Safety Authority (HSA)  | Ireland                  |
| Corvaro     | Marco          | Participant | Corteva Agriscience  | Italy                    |
| Cowe        | Nyree          | Participant | Charles River Laboratories   | United Kingdom           |
| Craig       | Peter          | Participant | Durham University  | United Kingdom           |
| Crivellente | Federica Adele | Participant | European Food Safety Agency (EFSA)   | Italy                    |
| Dammann     | Martina        | Participant | BASF SE  | Germany                  |
| Davidson    | Jutta          | Speaker     | Charles River Laboratories   | Germany                  |
| Davis       | Barbara        | Participant | Nuseed Nutritional   | United States of America |
| Debabrata   | Kanungo        | Participant | Personal capacity  | India                    |
| Dertinger   | Stephen        | Speaker     | Litron Laboratories  | United States of America |
| Desprez     | Bertrand       | Speaker     | French Agency for Food, Environmental and Occupational Health and Safety (ANSES) | France                   |
| Dodds       | Jenifer        | Participant | Charles River Laboratories   | United Kingdom           |
| Dunham      | Lora           | Participant | Charles River Laboratories   | United Kingdom           |
| Elliott     | Claire         | Participant | Penman Consulting  | United Kingdom           |
| Fatur       | Tanja          | Participant | National Institute of Public Health  | Slovenia                 |
| Florida     | Ebel           | Participant | Charles River Laboratories   | Ireland                  |
| Foudoulakis | Manousos       | Speaker     | Corteva Agriscience  | Greece                   |
| Fritsche    | Jens           | Participant | Charles River Laboratories   | Germany                  |
| Fryndelund  | Jorid          | Participant | Norwegian Environment Agency   | Norway                   |
| Gadowska    | Maria          | Participant | Charles River Laboratories   | United Kingdom           |

**Workshop report "Preparatory work on how to report, use and interpret historical control data in (eco)toxicity studies"**

|                  |                 |             |   |                          |
|------------------|-----------------|-------------|---|--------------------------|
| Garcin           | Jean-Christophe | Participant | Bayer AG R&D Crop Science                         | France                   |
| Geiser           | Christoph       | Participant | Federal Food Safety and Veterinary Office (FSVO)  | Switzerland              |
| Gioutlakis       | Michail         | Participant | Benaki Phytopathological Institute (BPI)          | Greece                   |
| Gómez            | Teresa          | Participant | Ministry of Health                                | Spain                    |
| Gröters          | Sibylle         | Speaker     | BASF SE   | Germany                  |
| Hałajewska-Wosik | Anetta          | Participant | Bureau for Chemical Substances                    | Poland                   |
| Hatzi            | Vasia           | Participant | Benaki Phytopathological Institute (BPI)          | Greece                   |
| Hauzenberger     | Ingrid          | Participant | Environment Agency Austria                        | Austria                  |
| HAYAR            | Salem           | Participant | Personal capacity                                 | Lebanon                  |
| Hernandez Jerez  | Antonio         | Participant | University of Granada                             | Spain                    |
| Hillebrand       | Marcus          | Participant | German Environment Agency (UBA)                   | Germany                  |
| Hodge-Bell       | Kimberly        | Participant | Bayer AG R&D Crop Science                         | United States of America |
| Hofmaier         | Tina            | Participant | Austrian Agency for Health and Food Safety (AGES) | Austria                  |
| Hofmann          | Thomas          | Speaker     | BASF SE   | Germany                  |
| Hölzl            | Christine       | Participant | Environment Agency Austria                        | Austria                  |
| Houlihan         | Margarete       | Participant | Health and Safety Authority (HSA)                 | Ireland                  |
| Istace           | Frederique      | Participant | European Food Safety Agency (EFSA)                | Italy                    |
| Jackson          | Ailsa           | Participant | TSG Consulting                                    | United Kingdom           |
| Jacobsen         | Pernille        | Participant | Danish Environmental Protection Agency (DEPA)     | Denmark                  |
| Jaeh             | Urte            | Speaker     | Charles River Laboratories                        | Germany                  |

**Workshop report "Preparatory work on how to report, use and interpret historical control data in (eco)toxicity studies"**

|               |                   |              |  |                          |
|---------------|-------------------|--------------|--|--------------------------|
| Janušauskaitė | Dalia             | Participant  | The State Plant Service under the Ministry of Agriculture        | Lithuania                |
| Jensen        | Stine             | Participant  | Danish Environmental Protection Agency (DEPA)                    | Denmark                  |
